

IN APPRECIATION

Karen Peterson: Thank you is not enough to express how grateful we are for your 30 years of dedication to the community and to the mission of the AIDS Project. Your insightful leadership as executive director was instrumental to the growth of the organization.

Alex Potter: Your commitment to APSV over the past 36 years has shown through the different hats you wore. As a former volunteer, staff and board member, thank you for your passion, expertise, and willingness to support our work over and over again.

The mission of the AIDS Project of Southern Vermont is to provide direct services to those whose lives are affected by HIV/AIDS, to offer education and supplies to help prevent its spread, and to promote understanding within the communities served.

AIDS Project of Southern Vermont

GRATITUDE is the word that comes to mind as we reflect on the past year. We were grateful to be returning to a “new normal” and adapting to the changes ahead. In 2022 we started the search for a new executive director, brought on five new staff members and welcomed five new board members.

We are proud to say staff and leadership continued to provide meaningful services to our participants and clients, stepping up when needed to bring our community together and build strength through the height of the uncertainties and changes.

Our direct services program continues to grow and fulfill the needs of persons living with HIV in our community. We assist clients with necessities like access to healthcare, wholesome food, and connecting them to other supportive resources.

Our harm reduction and prevention program expanded mobile services and outreach efforts. We offered safer sex products, naloxone, sterile syringes and safe disposal, health and treatment referrals, HIV and hepatitis C testing, and harm reduction education trainings. We helped organize and participated in overdose prevention outreach events in Brattleboro, Bennington, Wilmington and Montpelier.

While leadership has changed, our mission and core values have not. In 2023 we look forward to providing more life-saving services, advocating for more meaningful and equitable policies, building on existing collaborations and developing new ones. We value your ongoing support, and look forward to continue serving the community. In gratitude,

Shawn E Bracebridge

EXECUTIVE DIRECTOR

World AIDS Day: Reverend Scott Couper joined us on December 1, to share his story about working with HIV+ women in South Africa.

Education Tables: APSV staff set up education tables at Bennington PRIDE and Overdose Awareness Day events in Bennington and Montpelier.

2022 YEAR IN REVIEW

Annual AIDS Walk: On a beautiful day in May, current and former board members and staff honored Karen Peterson on 30 years at APSV.

Holiday Drag Show: Many community members came out to support APSV and enjoy a fabulous show with The Ladies of the Rainbow.

Grateful for community members who continue to show us they care about our work in different ways: Brattleboro Food Coop's Round Up for Change event highlighted APSV's work in January 2022. • Lama Tomás provided gift cards for our program participants on behalf of Bob T. • UVM CORA provided cell phones and supplies for our SSP participants. • Keene Pride invited us to exhibit our archives during their event. • Anonymous cooks provided delicious meals for staff, other individuals offered professional services at reduced fees and helped with appeal mailings. • Veronica Wheelock spread cheer to our clients in the form of holiday gift bags.
