The mission of the AIDS Project of Southern Vermont is to provide direct services to those whose lives are affected by HIV/AIDS, to offer education to help prevent its spread, and to promote understanding within the communities served.

The AIDS Project of Southern Vermont

Our offices in Bennington and Brattleboro continue to help more than 85 clients with such staples as nutritious food, safe and affordable housing, rides to appointments and access to health care and medications. We know that many individuals at highest risk for contracting HIV struggle with addictions. In 2018, we provided more than 200 individuals with safer substitute needles, sterile syringes and safe disposal, health and treatment referrals, HIV and Hepatitis C testing, and one-on-one interventions.

We remain committed to addressing the needs of individuals living with or at risk for HIV/AIDS and Hepatitis C testing, and one-on-one interventions.

World AIDS Day: As part of our World AIDS Day Commemoration on November 30, Dora Urujeni shared with us her experience living and working in Rwanda and members of The Harmony Lot lifted us up with beautiful songs.

Pet Love: With a generous gift from the Vermont Community Foundation: Crosby-Gannett Fund, we were able to purchase food for beloved pets of our clients.

Drag Show: The Ladies of the Rainbow enthralled us once again as they gave generously of their time and talent at our benefit Holiday Drag Show raising $6,400 for the AIDS Project. Many thanks to photographer Julie Haude (Maple Leaf Photography) for capturing the spirit of the show.

Holiday Bags: Veronica Wheelock continued her annual tradition of brightening the holidays by creating individual gift bags for clients.

The mission of the AIDS Project of Southern Vermont is to provide direct services to those whose lives are affected by HIV/AIDS, to offer education to help prevent its spread, and to promote understanding within the communities served.
